Profile

Motivated Software Engineering undergraduate at Arba Minch University with a passion for building intuitive, user-centered web applications. Skilled in **frontend development with React.js**.

Skills

— **Frontend:** HTML5, CSS3, JavaScript (ES6+), React.js | **Styling:** Tailwind CSS, Responsive Design, CSS Flexbox & Grid | **Tools:** Git, GitHub, VS Code, Chrome DevTools |

Core Concepts: Component Architecture, State Management, REST APIs, UX Principles | **Soft Skills:** Communication, Problem-Solving, Critical Thinking, Collaboration

🎓 Education

Bachelor of Science in Software Engineering Arba Minch University — Arba Minch, Ethiopia Expected Graduation: 2027 Relevant Coursework: Web Programming, Data Structures, OOP, Database Systems Academic Projects: Built interactive web apps using React and vanilla JavaScript Active in coding practice groups and university tech discussions

📁 Projects

Rewire – 21-Day Habit Builder (React App)
React.js | Local Storage | CSS | Neuroscience Concept

- Designed and developed a **habit-tracking application** based on the concept of **neuroplasticity**, helping users build lasting habits in 21 days.
- Implemented features: daily goal tracking, progress visualization, motivational reminders, and milestone celebrations.
-
- Used **React state and hooks** for dynamic UI updates and **localStorage** for offline data persistence.
-
- Focused on **user engagement and psychology-driven design** to encourage consistency.
 Highlights: React, UX Design, Concept-Driven Development, Independent Project

Personal Portfolio Website
React.js | React Router | Tailwind CSS | GitHub Pages
- Created a responsive portfolio to showcase projects, skills, and contact information.
-
- Used **React Router** for navigation and **Tailwind CSS** for a modern, mobile-first layout.
-
- Hosted on GitHub Pages — fully accessible online for recruiters and peers.
- Demonstrates ability to self-learn, deploy, and present technical work professionally.

- *Highlights*: Full Frontend Flow, Deployment, Design & Code Integration
